## 2016 HAGAN VINEYARD

➤ ELEV. 850 FT. / PACIFIC OCEAN 4.6 MI.

PINOT NOIR

SONOMA COAST

### ➤ HAGAN VINEYARD

The Hagan Vineyard perches at 850 feet, fully facing the cold Pacific Ocean on the esteemed Taylor Lane west of Occidental. Dramatic, awe-inspiring and windswept, it produces wines of extraordinary complexity and perfume. This organically farmed vineyard includes a block planted to 4 ft x 4 ft, an incredibly rare spacing that requires our vineyard crew to work entirely by hand. No equipment will fit down the rows. This works to our favor as the extra attention to detail ensures the utmost quality, as evidenced by this remarkably concentrated and precise Pinot Noir. Notes of pomegranate, bing cherry and black pepper. We recommend pairing with a dry-rubbed pork rib or strawberry cheesecake.

### ➤ TASTE

Pomegranate, bing cherry, graphite and dried herb

### ➤ WHO WE ARE

For nearly 20 years, we have been on a journey—one that started with 50 cases of Syrah vinified in a garage in sunny Los Angeles. A short time later, we marched steadily northward toward a vision of cooler vineyard sites and the complex, aromatic wines they can express. Today, under the direction of viticulturist, Greg Adams, and winemaker, Tanner Scheer, we farm five dramatic ridge-top vineyards in Occidental, Sebastopol, Freestone and Cazadero. This rugged terrain's coastal influence—where the Pacific fog filters in daily through giant redwoods until warm sunshine sends it back out to the sea—provides perfect growing conditions for our hallmark style: perfumed aromatics, bright fruit, crisp texture and uplifting acidity. An early leader in the formation of the proposed West Sonoma Coast AVA, we are passionately committed to producing wines of purity and focus that express the authentic varietal character and terroir of each unique coastal vineyard site. At our core, we are a small, independent farming operation committed to conservation, transparency and sustainability.

### ➤ SPECS

ALCOHOL	13.1%
VINEYARD	Hagan
AVA	Sonoma Coast
PRODUCTION	210 Cases
AVERAGE BRIX	22°
TOTAL ACIDITY	5.9g/L
STEMS	10%
