WEST SONOMA COAST

## 2020 SONOMA COAST

## Rosé of Pinot Noir

### ► APPELLATION AND VINTAGE

Our 2020 Rosé of Pinot Noir began with fruit hand-harvested during the coolness of night, from our tailored Rose vineyards at an average of 21 Brix. We immediately whole cluster press this cold fruit, separating the juice & skins in a classic Vin Gris style resulting in a pale, salmon color. We ferment our Rose juice in a combination of neutral French Oak barrels and stainless steel, culminating in a bone-dry wine backed with racy acidity and 12.4% alcohol. This wine was produced using fruit grown in the Green Valley AVA and Sebastopol Hills - 54% and 46%, respectively. The Hervey Vineyard in Green Valley is a small, family owned & operated site that has been the heartbeat of our Rose for many vintages. The Ramondo Vineyard to the South lies within Sebastopol Hills and provides us the opportunity to produce distinct wines from multiple clonal selections that we farm specifically for our Rose. As with each of our wines, we feel that our Rose is truly made in the vineyard. We take a great deal of pride in the fact that each vintage we produce here is comprised of natural acid & chemistry, resulting in a wine that is a true reflection of our vineyards, the vintage, and our style.

### ► AROMA & TASTE

Orange Blossom, Orange Sorbet, Red Grapefruit and Flint

### ► WHO WE ARE

In 2000 Red Car produced its first vintage, 50 cases of Syrah, in a Los Angeles garage. Now, twenty years later, under the direction of viticulturist, Greg Adams, and winemaker, Tanner Scheer, we farm five dramatic ridge-top vineyards in Occidental, Sebastopol, Freestone and Cazadero. This rugged terrain's soil and coastal influence provide perfect growing conditions for our hallmark style: perfumed aromatics, bright fruit, crisp texture and uplifting acidity. We are passionately committed to producing wines of purity and focus that express the authentic varietal character and terroir of our unique coastal vineyard sites. An early leader in the formation of the proposed West Sonoma Coast AVA, we are committed to conserving this unique region, our vineyards and our community.

### ► SPECS

ALCOHOL	12.4%
AVA	Sonoma Coast
AVERAGE BRIX	21°
TOTAL ACIDITY	6 g/L
pH LEVEL	3.2
BARREL AGING	3 Months
RELEASE DATE	March 2021

THIS WINE IS VEGAN, GLUTEN FREE AND CONTAINS LOW SULFITES.
