WEST SONOMA COAST

2021 SONOMA COAST

Rosé of Pinot Noir

➤ APPELLATION AND VINTAGE

Our 2021 bottling marks a decade of Rosé production in our cellar. Through that time, we've developed a house style here at Red Car; based in desire to create the most balanced Rosé possible, while adapting to the conditions each vintage brings. Often small, isolated harvests of specific clones from each of our vineyards affords us the ability to craft the wine in the field as harvest unfolds. Plainly put, we build this wine each year from the ground up, applying what we've learned over time, tailoring our approach. In blending each expression, from each clone and vineyard, we've assembled the best of what we do here at Red Car. The 2021 Rosé of Pinot Noir reflects this, with expressed aromatics and minerality, yet generous and rich texture. Next to the pool, on the lake, paired with food, this is built to meet the occasion.

➤ AROMA & TASTE

Orange Blossom, Orange Sorbet, Red Grapefruit and Flint

➤ WHO WE ARE

In 2000 Red Car produced its first vintage, 50 cases of Syrah, in a Los Angeles garage. Now, twenty years later, under the direction of viticulturist, Greg Adams, and winemaker, Tanner Scheer, we farm five dramatic ridge-top vineyards in Occidental, Sebastopol, Freestone and Cazadero. This rugged terrain's soil and coastal influence provide perfect growing conditions for our hallmark style: perfumed aromatics, bright fruit, crisp texture and uplifting acidity. We are passionately committed to producing wines of purity and focus that express the authentic varietal character and terroir of our unique coastal vineyard sites. An early leader in the formation of the proposed West Sonoma Coast AVA, we are committed to conserving this unique region, our vineyards and our community.

➤ SPECS

| | |
|---------------|--------------|
| ALCOHOL | 12.9% |
| AVA | Sonoma Coast |
| AVERAGE BRIX | 21.1° |
| TOTAL ACIDITY | 6.7 g/L |
