SONOMA COAST

### ➤ HEAVEN & EARTH VINEYARD

Located just outside the tiny coastal hamlet of Occidental, the 4.5-acre Heaven & Earth vineyard has become a pillar in our operation. Planted exclusively to Pinot Noir and farmed organically by Red Car from day one, this site produces some of our most distinguished Pinot Noir – truly unique to the site itself. We kicked off the 2020 harvest with a small pick of Calera, as has been the case for over a decade. This was followed by Pommard several days thereafter. Once in the cellar, each clone was meticulously hand sorted and fermented separately in small open top tanks. The Calera, which is dark, spicy, and brambly, yielded deep and concentrated wines. In contrast, the Pommard brought about high-toned and fleshy red fruit, with perfumed aromatics. Aged for 11 months in barrel, before being bottled un-fined and un-filtered, the 2020 Heaven and Earth Pinot Noir captures each element of what we believe in here at Red Car: tailored viticulture, traditional cellar practices, and the desire to produce wines of typicity.

### ➤ TASTE

Wild blackberry, red currant, turmeric

### ➤ WHO WE ARE

In 2000 Red Car produced its first vintage, 50 cases of Syrah, in a Los Angeles garage. Now, twenty years later, under the direction of viticulturist, Greg Adams, and winemaker, Tanner Scheer, we farm five dramatic ridge-top vineyards in Occidental, Sebastopol, Freestone and Cazadero. This rugged terrain's soil and coastal influence provide perfect growing conditions for our hallmark style: perfumed aromatics, bright fruit, crisp texture and uplifting acidity. We are passionately committed to producing wines of purity and focus that express the authentic varietal character and terroir of our unique coastal vineyard sites. An early leader in the formation of the proposed West Sonoma Coast AVA, we are committed to conserving this unique region, our vineyards and our community.

### ➤ SPECS

ALCOHOL	13.4%
VINEYARD	Heaven & Earth
AVA	Sonoma Coast
PRODUCTION	250 Cases
AVERAGE BRIX	22.8°
