2021 HAGAN VINEYARD Pinot Noir

SONOMA COAST

Elevation: 850 feet above sea level / 4.6 miles from the Pacific Ocean

THE VINEYARD

The Hagan Vineyard perches high above the edge of the continent fully facing the cold Pacific Ocean on the esteemed Taylor Lane west of Occidental. Dramatic, awe-inspiring and windswept, it produces wines of extraordinary complexity and perfume. We are proud to have utilized organic farming practices from the beginning. This site sits along the tiny ridgeline at the end of Taylor Lane with some of the most revered Pinot Noir vineyards in the country.

ABOUT RED CAR

Red Car is a small farming and winemaking operation based in Sebastopol and rooted in some of the most unique AVAs and vineyards in all of California. In 2005 we planted our Estate Vineyard in Fort Ross-Seaview and for over two decades have dedicated our lives to producing site-specific, balanced wines of exceptional quality, bright fruit, complex aromatics, and moderate alcohol. Together, our team farms and produces Pinot Noir, Syrah, Chardonnay, and Old Vine Cabernet from 6 unique vineyards all within 10 miles of the Pacific Ocean. A combined passion for hospitality, a taste for hard work, and a steadfast dedication to the craft of winemaking define who we are and the wines we make.
