VINEYARDS *on the* EDGE OF THE PACIFIC

2021 MOHRHARDT RIDGE VINEYARD Chardonnay

FORT ROSS-SEAVIEW

Elevation: 1,400 feet above sea level / 5.0 miles from the Pacific Ocean

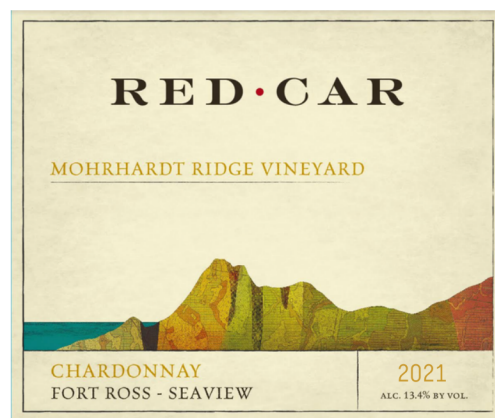

## THE VINEYARD

The Mohrhardt Ridge Vineyard is located in the Fort Ross–Seaview AVA, a region known primarily for its incredible Chardonnay and Pinot Noir vineyards. And while we grow Chardonnay at this remote site, the Cabernet Sauvignon is unique for this AVA. The vineyard is perched high on a ridge a couple of miles inland from our Estate Vineyard, which provides just enough additional warmth to ripen Cabernet Sauvignon. Discovering 30 year old vines in this area, we couldn't resist the opportunity to embrace the true coastal history of the Médoc by farming the vineyard and making wine from this little gem.

## ABOUT RED CAR

Red Car is a small farming and winemaking operation based in Sebastopol and rooted in some of the most unique AVAs and vineyards in all of California. In 2005 we planted our Estate Vineyard in Fort Ross-Seaview and for over two decades have dedicated our lives to producing site-specific, balanced wines of exceptional quality, bright fruit, complex aromatics, and moderate alcohol. Together, our team farms and produces Pinot Noir, Syrah, Chardonnay, and Old Vine Cabernet from 6 unique vineyards all within 10 miles of the Pacific Ocean. A combined passion for hospitality, a taste for hard work, and a steadfast dedication to the craft of winemaking define who we are and the wines we make.

*Life is a journey. get on the Red Car.*
