FORT ROSS-SEAVIEW

Elevation: 1,400 feet above sea level / 5.0 miles from the Pacific Ocean

THE VINEYARD

The Mohrhardt Ridge vineyard perfectly encapsulates our mission in viticulture & winemaking: to farm remote coastal vineyards that bare little, yet precious fruit of exceptional quality as we strive to produce distinct wines of typicity. Perched atop a ridge near the center of the Fort Ross-Seaview AVA, this site is home to some of the oldest and only Cabernet vines in the AVA. Morning fog, cool days and proximity to the Pacific Ocean make this site extremely unique for growing Cabernet.

ABOUT RED CAR

Red Car is a small farming and winemaking operation based in Sebastopol and rooted in some of the most unique AVAs and vineyards in all of California. In 2005 we planted our Estate Vineyard in Fort Ross-Seaview and for over two decades have dedicated our lives to producing site-specific, balanced wines of exceptional quality, bright fruit, complex aromatics, and moderate alcohol. Together, our team farms and produces Pinot Noir, Syrah, Chardonnay, and Old Vine Cabernet from 6 unique vineyards all within 10 miles of the Pacific Ocean. A combined passion for hospitality, a taste for hard work, and a steadfast dedication to the craft of winemaking define who we are and the wines we make.
