2023 HEAVEN & EARTH Pinot Noir

SONOMA COAST

Elevation: 500 feet above sea level / 8 miles from the Pacific Ocean

## THE VINEYARD

Our Heaven & Earth Pinot Noir originates from a 4.5-acre site near Occidental, planted in 2004 with Calera, Pommard, and 828 Pinot Noir selections. With over 2,000 vines per acre, yields average less than 2.5 tons, signifying exceptional quality. Nestled near the Bohemian Highway, the vineyard enjoys protection from offshore winds, maintaining cool coastal temperatures. This sheltered environment extends hang time, enhances site expression, and preserves acidity, moderating alcohol levels for optimal balance and flavor.

2022 ESTATE VINEYARD *Pinot Noir*

FORT ROSS-SEAVIEW

Elevation: 1,000 feet above sea level / 3.7 miles from the Pacific Ocean

## THE VINEYARD

Our Estate Vineyard, planted in 2005, crowns the northwest corner of King Ridge Road above Fort Ross in Sonoma County. Situated at 900–1000 feet, it's characterized by coastal redwoods and the fog-laden Pacific Ocean, moderating temperatures but making it prone to rain and fog during flowering, yielding low. The vines grow in fractured marine sandstone from the Ohlson Ranch Formation, akin to the Goldridge series but with less clay and more stone. It's densely planted with Pinot Noir, Chardonnay, and Syrah clones.

## TASTE

Pomegranate, Bing Cherry, Pencil Shavings
